

IVF PRICE LIST

Insured

This price list is valid for clients who are insured by health insurance companies in the Czech Republic.

When the client is entitled to reimbursement from health insurance, the cycle is directly charged to the insurance company.

(According to § 15 section 3 of the Public Health Insurance Act No. 48/1997 Coll. the treatment related to in vitro fertilization is reimbursed three times in life at the most, or when in the two first cases only 1 human embryo was transferred into female genital organs, then four times in life).

Special laboratory methods are directly paid by the client as well as additional payments for stimulation drugs or drugs that are not included in the limit of the health insurance (after using up 2250 IU).

65 000 Kč

Without Health insurance reimbursement

120 000 Kč

PRICE INCLUDES:

- ✓ Consultation and ultrasound during the cycle.
- ✓ Costs related to the donor (monitoring of donor cycle and oocyte collection, drugs for the donor, reimbursement of the costs of the donor).
- ✓ Testing for HIV, Hep B, C and Syphilis for the male partner.
- ✓ Semen analysis and freezing of the partner's sperm plus storage for 1 year (upon previous request).
- ✓ ICSI, extended cultivation, assisted hatching if required.
- ✓ Embryo transfer
- ✓ **This program guarantees** our clients at least 2 embryos in blastocyst stage (5th day of cultivation) assuming that the sperm quality is not qualified as OAT (oligoasthenoteratozoospermia) or worse (according to the WHO). In case that the patient receives only 1 blastocyst and does not get pregnant (confirmed heartbeat), we create at least 1 more embryo in asynchronous cycle (it means that the patient receives at least 1 additional embryo from oocyte of another donor).
- ✓ **Third cycle for free** for clients who do not become pregnant (confirmed heart action) even after two cycles with donated eggs with the 3rd cycle guarantee (after the transfer of all embryos formed during these cycles) and the sperm quality was not qualified as OAT or worse in both cycles (according to the WHO).

PRICE DOES NOT INCLUDE:

- × Vitrification of embryos + the preservation of embryos for 1 year
- × Other additional laboratory methods (depend on the advice of the physician /embryologist and wish of the client).

PAYMENT PROCEDURE:
